

# CIRCLE THE STADIUM

**Save the date!**

Sponsored by  
Ashland Arrow Football Parents

**Oct. 15th,  
2020**

This year may be a little different, but we believe that traditions should carry on. However, since there are restrictions for spectators at sporting events-we will be hosting a **special** gathering to show our support. On October 15th, 2020 we are inviting you to come "squeeze out cancer" by "circling the stadium". Let's pack the house-inside and out! Supporters will circle around the field (socially distanced with masks) while our football players, cheerleaders, and band members are on the field.

## HERE'S THE GAME PLAN:

- purchase this year's 2020 "squeeze out" cancer shirt (order form attached). ALL proceeds got to our local Ashland County Cancer Association
- Wear your shirt & join us on October 15th, at Community Stadium- 7:30pm (gates open at 7pm): the AHS band will perform; guest speaker's include-Mayor Matt Miller, a local pastor, and Dr. Marrah; also our donation check will be presented to A.C.C.A
- Don't feel comfortable circling the stadium? No worries! You can participate by ordering a shirt to wear thru Breast Cancer Awareness month (October) and your contribution will still support our people here locally through Ashland County Cancer Association.
