2. The payment of an activity fee does not guarantee any athlete a certain amount of competition contest time.
3. Fees are **non-refundable** with the following exceptions:
 - A. Sport is canceled due to insufficient numbers.
 - B. Student does not make the team.
 - C. If a student suffers a season ending injury prior to the first game.
 - D. Student moves out of the district prior to first contest.
 - E. Student is academically ineligible to participate prior to the first contest.
 - F. Payments can be transferred to another sport by request of the athlete or parent.
4. No refunds will be issued after the first contest of each sport.

Refunds must be requested in writing to the Director of Athletics or Middle School Athletic Director and the refund would only be issued by the above criteria. If a refund is requested it will take approximately 2-3 weeks for payment from the board of education once the written request has been made to the respective athletic office.

We encourage the athletes to plan ahead to raise the funds needed for their activity fees. If a severe financial situation occurs that the athlete wishes to participate and family funds are not available the athlete can apply for assistance through the athletic department. All applications will be treated on an individual basis and in strict confidence. Please contact the Athletic Director for details of financial assistance.
