

MESSAGE FROM THE INTERIM SUPERINTENDENT

January 2023

Dear Ashland Arrow Families and Stakeholders,

It is with distinct honor that I send this message to all of you at the start of this new calendar year. Our students and staff are coming to the end of the first semester here at Ashland City Schools and we couldn't be more excited about the trajectory of our school district. Our staff and students have worked tremendously hard to create learning and extracurricular opportunities that leave a lasting impact on our students and community. We are so proud of all our staff, students, and families for their perseverance, resilience, and commitment to our district's goals and vision. We will continue to educate and care for our students at a very high level every day. We strive to be the best version of ourselves to bring out the best version of our students. We have had many successes academically, athletically, musically, and artistically in 2022; we are poised to show even more growth and achievement in the coming months. Thank you for the opportunity to educate and love your child, and we will put every ounce of our effort in staying committed to them, to our families, and to Ashland. May 2023 bless each and every one of you. I look forward to leading beside each member of this great organization and creating continual support for The Ashland City School District.

GO ARROWS!

*-Steve Paramore
Interim Superintendent
Ashland City Schools
